Financial statements, including the reserve funds, will be presented at this meeting. No bylaws will be covered as these will be undergoing a review by the board of directors this year. The documents related to this meeting will be available on [the York Branch website](#).

Eventually, the travel restrictions will lift and many of us will begin to plan our next voyages. Andrew Hau from Collette Travel, our national Preferred Partner for travel, will be the guest speaker at the

AGM. Andrew Hau is the new business development manager in Central Ontario for Collette. Andrew has over six years of experience in the travel industry working in many positions. He has ticked over 25 countries from his must-see list including Japan, South Korea, Slovenia, Portugal, Austria, Jamaica and Panama. To this day, Andrew is still affected by the time he spent immersed in the culture of Spain when he was 17 years old and credits the country with igniting his passion to work in the travel industry.

I look forward to seeing you on Tuesday, April 20, 2021!
