

BRANCH REPORT

ON35 | Huronia

President's message

A special thank you to all volunteers that have taken part in phoning members and volunteered to help with events and/or committees. You are the lifeblood of our Branch!

Our Executive Members have had a busy year training on ZOOM, Excel, Membership Renewal calls, Financial procedures, and more! Our new Directors have also started training for their roles, and will be tackling the learning curve on an ongoing basis in service of the Branch and its members.

If anyone wants a "You and Your Survivors" workbook for reviewing your estate and providing helpful information as a resource for your survivors, please request at on35.info@gmail.com

We will be continuing to send E-Blasts by email for important announcements. If you have not been receiving these, please be sure to provide us with your email address at on35.info@gmail.com as it is the best way to receive all of our communications!

Additionally, information is available at the National Website <https://www.federalretirees.ca/en> and on Facebook <https://www.facebook.com/FederalRetirees>
