

Your computer shouldn't be a hassle.

Welcome, members of the National Association of Federal Retirees!

We'll get you set up.

Feel comfortable shopping with our relaxed and friendly service. We'll explain things clearly and honestly so you can make the best choice.

We'll show you how.

Our patient (and very charming) trainers have years of experience coaching seniors and can teach you anything you'd like to learn!

We'll keep it working.

If your Mac has a problem, you can always bring it to our Apple-certified technicians for repair. We're right here in Victoria, no shipping needed.
